If your organization is awarded a grant. How should the check be made out?

_____

How much is your organization requesting? _____

Describe your project in 500 words or less answering the following questions: How will the funds impact your organization and community? Will this project benefit the youths? Why is this something that should be funded? How will you measure success? The proposal should include how the money will be spent.  Be specific in considering how many in the community will be impacted or served or whether this is a beautification or community needs project. Any bids or estimates you have for the project may be submitted as an attachment to this page but not required to apply. One application per organization for 2024.
