

Wonder where to properly dispose of a worn American flag?

Commander Thomas Kropp of Clarke White American Legion Post 589 and Donna Kropp President of Clarke White Auxiliary Unit 589 of Preston Hollow presented to the Town of Rensselaerville a disposal bin for worn and tattered American flags. The bin is located at the transfer station. Tattered and worn American flags may be dropped in the bin and the Legion will periodically perform a 'Dignified Disposal of Unserviceable Flags'.
